Whether you are expecting multiples or your “kids” are already 30,
please join us for an end-of-the-summer
gathering of mid-Michigan families of twins, triplets or more.

Please RSVP so we have an idea of how many sub sandwiches to order and bring table settings and a dish to pass if you plan on joining us for food.

We hope to record this event with a **group photo at 4:20pm** near Peregrine A,
so let's see how many multiples we can fit in a photo!

Please contact Stephanie at stephaniehirchert@hotmail.com
or 517-316-0261 for questions or to RSVP.
